Assistant superintendent with seven seasons at private clubs, UW–Madison TAP training, and current responsibility for spray programs, irrigation support, and crew leadership.

PROFESSIONAL EXPERIENCE

2nd Assistant Superintendent — Westchester Country Club, Rye, NY

Dec 2025 – Present

TYPICAL DUTIES / DAILY OPERATIONS

- ▶ Work with the superintendent on daily operations, course setup, and first-tee readiness
- ▶ Help manage crew rotation and train new interns on cups, watering, wilt checks, and rolling
- ▶ Cut cups, mow, roll greens, work bunkers, and run equipment
- ▶ Fertilize tees, greens, and rough
- ▶ Spray driving range, tees, fairways, big and little chipping, the short course, and tennis weekly with Toro 300-gallon sprayers
- ▶ Support the new irrigation system — water main lines, track wire, and work control boxes with the first assistant
- ▶ Check moisture levels and assist with cultural practices including aerification
- ▶ Participate in greens committee meetings; winter duties include snowblowing and shoveling

Assistant in Training — Trump National Golf Club, Westchester, NY

May 2025 – Nov 2025

TYPICAL DUTIES / DAILY OPERATIONS

- ▶ Set tees, cut cups, and blow off tees and greens
- ▶ Aerification and dry-jetting; spread fertilizer
- ▶ Backpack-sprayed weeds in fescue and rough across the entire course
- ▶ Hex plug, shop detail, and extensive hand-watering of tees, greens, and fairways

LEADERSHIP

- ▶ Helped manage crew through daily operations and supported large member events, including Eric Trump's outing

Groundcrew / Assistant Superintendent — Bishops Bay Country Club, Middleton, WI

2019–2022 & 2023–2025 • 5 seasons

TYPICAL DUTIES / DAILY OPERATIONS

- ▶ Mow tees, greens, fairways, and intermediate rough with Toro and Jacobsen units
- ▶ Roll greens, cut cups, spin-trim bunkers and pond banks, and chainsaw trees
- ▶ Operate stick-shift Gator, Bobcat, and mini-excavator
- ▶ Edge bunkers, install sod, locate pipe leaks, cut sprinkler heads, fill divots
- ▶ Aerify, spread fertilizer, spray weeds in fescue, seed bare spots, and support irrigation

PROJECTS

- ▶ Helped build a large berm and pickleball court to screen the clubhouse — excavation plus 15+ pallets of sod
- ▶ Built flower drywells and planted more than 200 flowers
- ▶ Removed old sand from every bunker, re-edged each bunker, and filled them with new sand

Door-to-Door Sales Representative — Vivint Smart Homes

May 2024 – Sep 2024

HIGHLIGHTS

- ▶ Cold-knocked neighborhoods selling smart-home security and automation; closed 40+ sales in the first season
- ▶ Worked independently with no assigned quota — handled outreach, objections, and closes on the doorstep

PROFESSIONAL EXPERIENCE (CONTINUED)

Groundcrew Assistant — Mill Run on Wild Ridge, Eau Claire, WI (36-hole / two-course)

Summer 2022–2023

TYPICAL DUTIES / DAILY OPERATIONS

- ▶ Mow tees, greens, fairways, and intermediate rough with Toro units on a high-acreage property
- ▶ Roll greens, cut cups, spin-trim bunkers and pond banks, and operate Gator, Bobcat, and Sand Pro
- ▶ Aerify, spread fertilizer, and train other crew members on mowing technique

PROJECTS

- ▶ Helped construct new tee boxes and a new maintenance shop
- ▶ Took down more than 300 trees and edged bunkers

Family Dairy Farm — 1,000 acres, 250 cows, Middleton, WI

2010–2022

- ▶ Raised on a working dairy — milking, feeding calves, harvest, tractors, baling, and light construction
- ▶ Comfortable with long hours and physically demanding work; still help when home

EDUCATION

UW–Madison Turfgrass Apprenticeship Program (TAP)

Classroom certificate completed February 2025 • Led by Professors Paul Koch and Doug Soldat

Program page turf.wisc.edu/tap • Graduate roster turf.wisc.edu/tap-graduates

Waunakee Community High School

Graduated 2018
