- Seeking a position where my management and supervision skills can be utilized to benefit of the employer. I am looking forward to new challenges and working hard to be successful.

In addition to Turfgrass management, I am proficient at Golf course construction and renovations. Greens, tees, bunkers, irrigation, drainage, regrassing and all aspects of site preparation.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Golf Course Superintendent

Pine Lakes Golf Club - Palm Coast, FL

April 2021 to Present

Coordinate daily maintenance, staff, irrigation, chemical and fertility. Develop and manage budget, inventory and purchases. Long-term planning of equipment, course improvements and future goals.
